National Youth Leadership Training Boy Scouts of America

Dear Venturer:

Are you between the ages of 14 and 21? Have you completed Crew Officer Orientation, the Venturing Leadership Skills or the New Crew Leadership Training Course? If you can answer yes to both of these questions, then you are qualified to attend this years exciting National Youth Leadership Training Course (NYLT) being held from June 11-17, 2017 at the L.E. Phillips Scout Reservation.

Why would you want to attend such a course? Have you ever been taught how to create a vision or to set goals for the future? Have you heard about the **EDGE** method of instruction (**E**xplain, **D**emonstrate, **G**uide, and **E**nable)? Would you like to develop your team building, planning, and communication skills to a higher level? Our staff will help you to develop these and many other skills that will allow you to become a better leader whether it is in your Crew or elsewhere in the world.

We know that because you have received Crew Officer or Venturing Leadership Training, that you have the skills necessary to participate in and successfully complete NYLT. We will not be teaching you basic skills at this course so you will need to come prepared and able to do certain things like pitch a tent, start a fire, cook a meal and use a compass. But, if you have a good general understanding of these skills you can be assured you will have a great time learning how to be a better leader.

So, talk to your Crew Advisor, go to the Scout Office, or go to the CVC web site www.bsa-cvc.org for an application and get ready for the time of your life. We look forward to having you at this years NYLT course.

The cost of this year's course is \$250.00. You might want to check with your Crew and see if they would consider paying for all or part of it if you are interested in attending. The application process is simple.

Venturers completing the Course will have the opportunity to earn their Leadership Pin to complete the NYLT training experience. Accomplishing this will make it possible for you to apply to attend the National Youth Leadership Training Course held each year at Philmont Scout Ranch as well as be on the staff of our local NYLT Course.

The National Youth Leadership Training Course will help you be a more effective leader. It will also help you on your advancement trail and in your personal life accomplishments, as well as your day to day activities and experiences. I hope you will give this opportunity consideration and I am looking forward to meeting you and having a lot of fun.

Yours in Scouting;

Glenn Swanson

Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.
