A Guide to Eau Claire, Chippewa, and Dunn
Counties

Where to Go Cub Scouting

Let's go Scouting! It sounds simple and easy enough, but what if you have never been a part of Scouting before? What if you are new to the area? What if you feel that doing the same old thing year after year has gotten boring for the boys?

The idea behind this "Where to Go Cub Scouting" resourceⁱ is to give Cub Scout Leaders insight and information on fun and interesting places they can go to complete the requirements for rank advancement in the Cub Scout Program. By no means is this a complete list of places where the requirements can be met. It is also not a list of required places to complete the achievements. Simply put, this resource is a starting point for anyone who might need help. New leaders as well as veteran leaders can use this resource to get new ideas, find new places, or reference contact information for places where achievements could be completed.

In order for this resource to be as complete and successful as possible, we would like to request your help. If you or your Pack has any recommendations for places to add or subtract from this collection, please let us know. Contact the Chippewa Valley Council Office in Eau Claire with the appropriate information and they will see that the resource gets updated.
